

Green & Healthy Schools Cleaning Policy

#7423 | Effective October 1, 2016

It's Important to Your Child's Health
& Safety

We're striving to reduce your child's and Trenton staff's
exposure to harmful chemicals

TAKE ACTION!

- Teachers and staff: ask the custodian for a bottle of district-approved multi-purpose cleaner
- Avoid using any disinfectant wipes, bleach, plug-in deodorizers, aerosols, and sanitizers
